What is CPC Practice Exam?

The CPC Practice Exam includes:

- 150 Question CPC Practice Test

- Answer Key, With Full Rationale

- Scan Tron Bubble Sheets

- The Exam Study Guide, including:
    - Common Anatomy Terminology Handouts
    - Common Medical Terminology Prefix, Root Word, and Suffix Handouts
    - The Official AAPC Proctor-to-Examinee Instructions

Does CPC Practice Exam Really Work?

Many users have found success with the CPC Practice Exam:

> "Outstanding! Worth every penny! I was so nervous about the exam when I ordered this practice one. I took it and wasn't too sure of how I did. My second try on the practice was much better! When I had to take my CPC exam (the real one) I opened the book and it was so similar... no surprises, which was nice. Would I recommend it? YES!"

- Satisfied Customer

"I was impressed with the exam when I received it. I am going to use it as my final for the class I teach this fall. Very well put together."

- Satisfied Customer

These testimonials demonstrate the effectiveness of the CPC Practice Exam in preparing users for the real CPC exam.

Trustworthiness

Is CPC Practice Exam a Scam?

No, the CPC Practice Exam is not a scam. It provides a legitimate study guide and practice exam to help individuals prepare for the CPC exam.

Is CPC Practice Exam Legit?

Yes, the CPC Practice Exam is a legitimate product. It is created by AAPC, a well-known organization in the medical coding field.

Pricing

The CPC Practice Exam is priced at only $37. This affordable price provides access to a comprehensive study guide and practice exam that can significantly increase your chances of passing the CPC exam.

Customer Satisfaction

The CPC Practice Exam has received positive feedback from customers who have used it to prepare for the CPC exam. Users have reported feeling well-prepared and confident during the actual exam, thanks to the similarity between the practice exam and the real exam.

Conclusion

Pros of CPC Practice Exam:

- Comprehensive study guide and practice exam

- Updated for 2024 coding books

- Similarity to the real CPC exam

- Affordable price

Cons of CPC Practice Exam:

- Electronic download format

Despite the electronic download format, the CPC Practice Exam is a valuable resource for anyone preparing for the CPC exam. It provides the necessary study materials and practice questions to ensure success on the exam.
